Terms of Use:

1.Utmost care has been taken to ensure the proper checking of the information and compilation. In case of any discrepancy, please write to us at info@mohitmangal.com or WhatsApp us on the link given below.
2. For the latest updates, we strongly urge you to check and rely on the actual website of the College / Univ. or the test conducting body given in the Book.
3. On account of limited space, the list of colleges provided for certain courses are limited and not exhaustive. Few lists are ranked and other lists are in alphabetical order of the states.
4. The Ranking of colleges given in the book are based on the 20 Years of experience in the education sector of the Authors. The ranking given is the true understanding and view point of the authors and may differ with others.
5. The Compiled Content including degree nomenclatures, entrance exams details, website addresses etc. in the book has been gathered from various authentic sources like Ministry of Education (MoE), Higher Education Commission of India (HECI), University Grants Commission (UGC), All India Council for Technical Education (AICTE) and National Council for Teacher Education (NCTE), Individual College / University or Institution websites, etc. This data is being used for educational and information giving purpose. The author acknowledges all sources whether mentioned or otherwise.

Introduction

This book has been prepared in accordance with "The Gazette of India, July 5, 2014". This Gazette released by "University Grants Commission" under the head of "Specification of Degrees" says that in exercise of the powers conferred by UGC Act 1956 and in suppression of all earlier Gazette Notifications pertaining to specification of Degrees, the University Grants Commission (UGC) with the approval of the Central Government hereby specifies the nomenclature of the degree for the purpose of the said Section.

Further to this, we have taken in consideration various other gazette amendments including the one of 21st July 2015 and of 31st May 2016 further upto 30th June 2023 for the current compilation.

Although UGC has broadly classified these Specifications in 15 categories for Bachelor Degrees after 12th, but for the ease of the readers, I have skipped few and further sub categorized few classifications and made a total of 22 Category Verticals.

A few Degree Nomenclatures given in this Booklet have been changed or restructured by UGC. But due to popularity of the older nomenclature, I have still incorporated them in the compilation. For e.g.: A popular degree course BJMC (Bachelor of Journalism and Mass Communication) or BMC (Bachelor of Mass Communication) has been restructured by UGC as BA (Journalism & Mass Communication). Still some universities use the name BJMC or BMC.

Therefore the USP of this book is that any college/institute is offering a Degree Nomenclature which shows no presence in this book is either non-exitent or marketed in a different way to attract students.

Happy Reading and Forwarding!

Streams Available after 10th

There are 4 Primary Streams available after 10th in the Indian Education System, namely
1. Science-A Group (with primary subjects as Physics, Chemistry and Maths)
2. Science-B Group (with primary subjects as Physics, Chemistry and Biology)
3. Commerce Group (with primary subjects as Accounts, Statistics, Economics and Business Studies)
4. Arts/Humanities Group (with primary subjects as History, Geography, Political Science, Sociology and Psychology)

There are few Schools who also offer an AB Group (with primary subjects as Physics, Chemistry, Mathematics and Biology. In this either Maths or Biology is termed as an additional subject)

The student has to choose one of the above mentioned groups of subjects in grade 11 and 12 primarily if the candidate wishes to pursue higher education in India.

Different Boards available in India

There are five main education boards available in India. Students may choose a board that suits them best. The choice shall be made on the basis of difficulty level associated with the boards and aptitude of the student. The five available education boards are:

- **IB (International Baccalaureate)**
- **Cambridge IGCSE (International General Certificate of Secondary Education)**
- **ISC (Indian School Certificate)**
- **CBSE (Central Board of Secondary Education)**
- **State Boards**

IB is the most practical oriented board and thus is considered to be the toughest board among all. It focuses on the concept of 'What to learn' and 'how to learn'. This board gives one a good amount of Elective subject choices and in turn gives flexibility of what a child wishes to learn. Much emphasis is laid on 'application of knowledge' and 'practical aspects' of learning. In this Board, there is no concept of stream selection after 10th like Science, Commerce or Humanities/Arts. The candidate has to pick up subjects of his/her choice and then the choice available for graduation depends upon the eligibility of various graduate courses available.

IB Board is followed by **CIE or IGCSE** (regulated by Cambridge Assessment International Education, while International General Certificate of Secondary Education deals with Std. 10, AS and A Levels deal with std. 11 and 12 respectively) in its practical approach of pedagogy. This board also gives good number of Elective subject choices offering something for all learners of different abilities, interests and backgrounds. It focuses on developing vital educational knowledge, understanding and skills. Again, it is considered to be tougher than other national boards, because of advanced level of learning and the teaching methodology. In this Board also, there is no concept of stream selection after 10th like Science, Commerce or Humanities/Arts. The candidate has to pick up subjects of his/her choice and then the choice available for graduation depends upon the eligibility of various graduate courses available.

ISC board comes next in the difficulty level. This board also follows quite a bit of practical learning approach though reference books and the pedagogy is less rote oriented. In this board, the first level of selection of stream takes place after grade 8, i.e. Science or Commerce or Humanities. If you have taken Science, you can shift to any other stream after 10th but vice versa is not allowed by most of the schools. Second level of stream selection takes place after 10th. The options available are Science-A Group, Science-B Group, Commerce or Humanities/Arts. The candidate has to pick up Compulsory subjects of commerce stream and can choose 1 or 2 electives as per the offer of various schools.

Next in the difficulty scale is the **CBSE** board. I think most of us are aware of this board. This board is a good mix of practical and rote oriented Pedagogy. It functions under the Union Government of India. Difficulty level associated with this board is moderate.

Last comes **State Board.** Each State in India has its own education board. It functions under the respective State Government of each state. Language of instruction (medium) in case of schools affiliated to such boards may be regional language or English. This board in most cases is found to be rote oriented. There is lack of creativity and flexibility allowed in the method of pedagogy. Also the children studying through vernacular medium in state boards primarily look for studying at the state level itself.

Q.	**What is Career Counseling?**
A.	Career Counseling is a process in which an expert helps you with your career exploration, career change, personal career development and other career related issues. This is a process in which the counselor gives advice on "career" with counseling techniques that simplifies complex decisions and difficult situations for the candidate. The expert helps you know yourself better using a set of questions - verbal or written. Based on the response, the expert guides you in getting answers to questions which cannot be answered by self.
Q.	**What is iQue BrainMapping?**
A.	Brain Mapping is "**in person Interaction**" process with the Counselor, in which the Aptitude of the candidate is assessed, looking at the comfort and natural bent towards different subjects which one is exposed to in the previous years of his/her academic or non academic areas. Following this, in the same "in person interaction", Interest of the candidate is assessed by gauging their top of the mind recall and leisure time spent or desired. Lastly, the counselor talks to the parent or anyone closely related to the candidate to understand the influence of their surroundings along with family/Peer Group/Social Impact. At the end, a detailed analysis of **Orientation**, **Aptitude**, **Interest** and **Personality** (**OAIP**) of the candidate is shared and discussed to create further career plan and line of action.
Q.	**Why is iQue BrainMapping the MOST Effective tool for Career Counseling?**
A.	The Brain Mapping method of Career Counseling is MOST effective tool due to three reasons: 1) Since the process is personal interaction based, each response of the candidate can be assessed carefully and which response has to be discounted or enhanced, can be taken in consideration by the counselor, which is impossible in any other form of assessment. 2) An open option of deep probing is available, if in any response the counselor feels some disconnect. This is impossible in any other form of assessment in the first round. Only in the second round it can be done, that too if and only if the counselor is able to figure out the discrepancy, which is extremely difficult. 3) Counselor can remove any ambiguity in the response, if found, at any point of time during the interaction. This is impossible in any other form of assessment in the First round. Only in the second round it can be eliminated provided, the counsellor is able to figure out the discrepancy which is extremely difficult.
Q.	**What is Multiple Choice Aptitude Test and why its results are not effective?**
A.	A test containing Psychometric questions of multiple choice type, ranging between 100 to 600 in number, to be completed in a given time frame is Multiple Choice Psychometric Test. This test is administered to the candidate and then the report based on the child's response in form of A/B/C/D options is generated. This tool used for the purpose of career counseling has many drawbacks. 1) These Multiple Choice Tests were built to cater to masses because individual counseling and probing takes a lot of time and the scalability is restricted, whereas we believe Career Counseling is a very Individualistic Process and cannot be done in masses. 2) Most of these tests are developed in western countries and are not sufficiently tested and balanced as per Indian needs. 3) The process of execution of these tests has a lacuna where most of the candidates either do not understand many questions or after answering a few questions loose interest in the assessment and just start marking the choices at random. This drastically affects the reliability of the report generated based on responses given and thus renders the process inefficient for Career Counseling. 4) Also through these written MCQ tests, there is no way for the counselor to find out any discrepancy in the result for deep probing and thus any random marking cannot be judged or identified.
Q.	**What is DMIT (Dermatoglyphics Multiple Intelligence Test)? Why is it ineffective?**
A.	DMIT, also known as "Dermatoglyphics Multiple Intelligence Test" is JUST an empirical study which is associated with biometrics and brain lobes. This study claims to help in understanding a unique inborn potential and personality. This study was conducted by Howard Gardner and he proposed this model in his book in 1983 "Frames of Mind: The Theory of Multiple Intelligences". This was a research thesis project which showed some correlation between finger prints and Multiple Intelligences. It was picked up by some Marketers who published and marketed it well in third world countries like India, Sri Lanka, Pakistan, Bhutan, Bangladesh, Honk Kong etc. There is NO research or clinical evidence to prove the authenticity of the same. It is like shooting without a target which one will hit every time.

Agriculture and Allied Sciences

Engineering and Technology

AVAILABLE DEGREES

DEGREE	DURATION	ELIGIBILITY
B. Tech. (Bachelor of Technology)	4 Year	10+2 with PCM*
B. E. (Bachelor of Engineering)	4 Year	10+2 with PCM*
B.S. (Bachelor of Science)	4 Year	10+2 with PCM*
B. F. Tech. (Bachelor of Fashion Technology)	4 Year	10+2 with PCM
B.Tech. + M.Tech. (Integrated Bachelor & Master Technology)	5 Year	10+2 with PCM*
B.S.+M.S. (Integrated Bachelor & Master of Science)	5 Year	10+2 with PCM*
Diploma + B.Tech (Integrated Diploma & Bachelor of Technology)	6 Year	10th Pass with 60%

*As per AICTE norms under NEP-2020, Different eligibility for each branch of engineering is defined among PCM/PC/PM/C

PROFESSIONS related to Engineering and Technology

Aerospace Engineer, Aerospace Materials Specialist, Agricultural & Food Engineer, Aircraft Maintenance Technician, Aircraft Structures Technician, Audio and Video Technologist, Automobile Engineer, Avionics and Electronic Technician, Biochemical Engineer, Biotechnological Engineer, Ceramic Engineer, Chemical Engineer, Civil Engineer, Computer Scientist, Electrical Engineer, Electronic & Communication Engineer, Electronics & Electrical Engineer, Electronics & Instrumentation Engineer, Electronics Engineer, Environmental Engineer, Food Technologists, Industrial Engineer, Instrumentation Engineer, Leather Technologists, Manufacturing Technologists, Marine Engineer, Materials Science Engineer, Mechanical Engineer, Metallurgical Engineer, Mineral Engineer, Mining Engineer, Naval Architecture Engineer, Nuclear Engineer, Optical Engineer, Paint Technologists, Petroleum Engineer, Plastic Engineer, Plastic Technologists, Polymer Engineer, Production Engineer, Pulp and Paper Technologist, Robotics Engineer, Sales Engineer, Structural Engineer, Textile Engineer, Aerologist, Air Traffic Controller, Airline Pilot, Astrobiologist, Astrogeologist, Astronaut, Building Surveyor, Climatologist, Cosmologist, Electrobiologist, Electrometallurgist, Geohydrologist, Geologist, Hydrogeologist, Meteorologist, Nephologist, Oceanographer, Ontologist, Palaeoclimatologist, Physicist, Planetologist, Scientist, Selenologist, Ufologist, Volcanologist

For explanation of above mentioned Professions & more, pick up individual Course Career Guide from www.mohitmangal.com

Branches / Specializations

Aeronautical	Aerospace	Agricultural
Agricultural & Food	Applied Geology	Applied Geophysics
Artificial Intelligence	Artificial Intelli. & Data Science	Automobile
Bio	Biochemical	Biological
Biological Sciences	Biomedical	Biotechnology
Biotechnology & Biochemical	Carpet & Textile	Ceramic
Chemical	Civil	Computational Mechanics
Computer	Computer Science	Computer Science & Artif. Intelli.
Dairy Technology	Data Science & Arti. IntellI.	Electrical
Electrical & Electronics	Electrical & Instrumentation	Electronics
Electronics & Communication	Electronics & Elec. Comm.	Electronics & Instrumentation
Electronics & Telecommunication	Electronics System	Energy
Engineering Design	Engineering Physics	Engineering Science
Environmental	Fire Technology	Food Process
Food Technology	Genetic	Geoinformatics
Geological	Industrial & Production	Industrial & Systems
Industrial Chemistry	Industrial Design	Information Technology
Instrumentation	Instrumentation & Control	Leather Technology
Manufacturing Science	Marine	Materials Science
Materials Science & Metallurgical	Mathematics & Computing	Mechanical
Mechatronics	Metallurgical	Metallurgical & Materials
Mineral & Metallurgical	Mining	Mining Machinery
Mining Safety	Naval Architecture & Ocean	Petrochemical
Petroleum	Pharmaceutical & Technology	Plastic
Polymer Science	Production & Industrial	Quality Design & Manufacturing
Robotics	Smart Manufacturing	Textile

Engineering and Technology Entrance Exams after 12th

Exams for Engineering and Technology	For admission to	Website
JEE Main - Paper 1 **(Joint Entrance Examination)**	B.E. / B.Tech Courses in NITs, IIITs, and CFTIs, State Engineering Colleges of Participating States and Other Participating Institutions.	http://www.jeemain.nta.nic.in/
JEE Advanced **(Joint Entrance Examination)**	Bachelor's or Integrated Master's Dual Degree in Engineering at IIT's	https://www.jeeadv.ac.in/
*CUET (UG) **(Common University Entrance Test)**	B.Tech.courses at Central, Public and Private Universities who have optedto take UG admissions through CUET across India	https://cuet.samarth.ac.in/
BITSAT **(BITS Aptitude Test)**	BE at Pilani, Goa, Hyderabad and Dubai campus	https://www.bitsadmission.com/
VITEEE **(VIT-Engineering Entrance Exam)**	B.Tech. at VIT Vellore, Chennai, Bhopal and Andhra Pradesh Campus	https://viteee.vit.ac.in
SRMJEEE (UG) **(SRM-Joint Engineering Entrance Exam)**	B.Tech. at SRM Group of Institutes at Chennai, Amaravati, NCR and Sonipat Campus	https://www.srmist.edu.in/
NMIMS-CET **(Common Entrance Test)**	B.Tech programs at Narsee Monjee, Mumbai, Navi Mumbai, Indore and Shirpur Campuses	https://nmimscet.in/ https://nmims.edu/
MET **(Manipal Entrance Test)**	B.Tech. at All Manipal Institute of Technology Colleges	https://apply.manipal.edu/
MHT-CET **(Maharashtra Technical Common Entrance Test)**	B.E. & B.Tech. in all Govt. &Affiliated Engineering Colleges in Maharashtra	http://cetcell.mahacet.org
KEA-CET **(Karnataka Examination Authority Common Entrance Test)**	B.E. & B.Tech. in all Govt. & Affiliated Engineering Colleges in Karnataka	https://cetonline.karnataka.gov.in/kea/
KIIT-EE **(KIIT- Entrance Test)**	B. Tech. courses at KIIT University Bhubaneshwar	https://kiit.ac.in/
AP-EAPCET (E Category) **(Andhra Pradesh Engineering, Agriculture & Pharmacy Common Entrance Test)**	B. Tech. courses across engineering colleges in Andhra Pradesh	https://sche.ap.gov.in/ EAPCET
WBJEE **(West Bengal Joint Entrance Exam)**	B. Tech. courses across engineering colleges in West Bengal	https://wbjeeb.in/
UPESEAT **(UPES Engineering Aptitude Test)**	B.Tech. at UPES Dehradun	https://www.upes.ac.in/
BV-BTECH CET **(Common Entrance Test)**	B.Tech. programs at Bharati Vidyapeeth Pune-Maharashtra	https://bvuniversity.edu.in/
TS-EAMCET E **(Engineering Agriculture & Medical Common Entrance Test) Engineering**	BE / B.Tech. across Universities in Telangana	https://eamcet.tsche.ac.in/
GAT **(General Aptitude Test)**	4 Year B.F.Tech Programs at NIFT Multilocation	https://nift.ac.in/
GUJCET **(Gujarat Common Entrance Test)**	B.E programs across Engineering Colleges and Universities in Gujarat	http://gujcet.gseb.org/
SNUSAT +APT **(Scholastic Aptitude + Academic Proficiency Test)**	B.Tech. Programs at Shiv Nadar University, Delhi & Chennai	https://home.pearsonvue.com/snu
CUET **(Christ University Entrance Test)**	B.Tech. Programs at Christ University-Bangalore Kengeri Campus	https://christuniversity.in/
KALSEE **(Kalinga Scholastic Entrance Examination)**	B.Tech. Programs at Kalinga University, Chhattisgarh	https://kalingauniversity.ac.in/
AMU-ET **(Aligarh Muslim Univ. Entrance Test)**	BE & B.Tech. Programs at Aligarh Muslim University	https://www.amu.ac.in/
PAU-CET **(Common Entrance Test)**	B.Tech. Biotechnology and Food Technology at Punjab Agriculture University	https://www.pau-apms.in/
CG-PET **(Pre Engineering Test)**	B.Tech. Courses at Colleges in Chhattisgarh	https://cgkv.ac.in/
SITEEE **(Engineering Entrance Exam)**	B.Tech Programs at Symbiosis Multicampus	https://www.set-test.org/
MITWPU-CET **(MITWPU – Common Entrance Test)**	BE & B.Tech. Programs at Aligarh Muslim University	https://mitwpu.edu.in/
SRU-AIEE **(SRU All India Entrance Examination)**	B.Tech Programs at Sri Ramachandra Medical College and Research Institute, Chennai	https://www.sriramachandra.edu.in/
KEAM **(Kerala Engineering, Architecture and Medical Entrance Exam)**	B.Tech. Degree courses affiliated to various Universities in Kerala	https://cee.kerala.gov.in/

Rank wise List of all IITs, NITs and IITs for Engineering and Technology

Rank	Best IITs (Indian Institute of Technology) in India	Website
